GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

On Saturday, May 14, 2011, at 0540 hours, Sixth District Patrol Units responded to a radio run for a man down in the 3700 block of Jay Street NE, "Mayfair Mansions" apartments. The officers observed a black male lying on the ground unconscious, with what appeared to be blood coming from an apparent gunshot to the head area. The officers requested the assistance of DCFD, an ambulance arrived on the scene and examined the body and found no signs of life. The DCMEO was then requested, and they responded to the scene and transported the remains to their office where the body was pronounced dead by licensed medical investigator Mary Beth Petrask, at 0817 hours. The remains were identified as being that of JUNON Tyree SNEAD.

Later that same day, Doctor Sunil Prashar, M.D., of the DCMEO performed an autopsy on the decedent's remains and determined that the cause of death was a single gunshot wound to the head, and the manner of death was ruled a Homicide.

During the investigation, it was determined that the shooting was captured on the apartment complex video surveillance system. The video captured the decedent and the shooter who is depicted as a light complexioned black male wearing a grey hooded jacket over a white shirt and pants in the playground area of the apartment complex located in 3700 block of Jay Street, NE, Washington, DC. The decedent and the shooter appear to be talking to one another. The shooter appeared to swing at the decedent, causing the decedent to back away from the shooter. The two appear to remain engaged when the shooter raises his arm and points a firearm at the decedent. The decedent appears to back away while the shooter pursues him with the firearm still in his hand. The shooter shoots the decedent and flees the area.

A witness, hereinafter W-1, was interviewed. According to W-1, on May 14, 2011, less than an hour before the decedent was shot, in the parking lot in the rear of the apartments in the 3800 block of Hayes Street, NE, security officers stopped and confronted several male individuals for drinking on the premises. W-1 stated that one of the individuals confronted by the security officers was a black male wearing a grey hooded jacket over a white shirt and jeans. W-1 viewed the surveillance video of the shooting. Based on the clothing, W-1 stated that the black male wearing the grey hooded jacket over a white shirt and jeans appeared to be the shooter.

W-1 was shown a nine picture photo array which depicted Andrew W. Williams, PDID: 560-069. Upon viewing the array, W-1 stated, number 5. Then, W-1 immediately pointed to number 6 and stated, Looks more like him than number 5. The

witness was asked by the affiant, if the person depicted in photo number 6 is the same person that IT observed stopped in the parking lot approximately one hour prior to the shooting and the same person observed on the video surveillance of the shooting? W-1 then replied, Yes. The person depicted in position number six is Andrew W. Williams, PDID: 560-069.

A witness, hereinafter W-2, was interviewed by your affiant. W-2 stated that on May 14, 2011, less than an hour before the decedent was shot, several male individuals were drinking in the parking lot in the rear of the apartments in the 3800 block of Hayes Street, NE, Washington, DC. W-2 stated that amongst the individuals IT observed was an individual known to IT as Barbershop. W-2 was shown the video surveillance depicting the shooting of the decedent. W-2 stated that the shooter appears to be Barbershop based on the clothing. W-2 was shown a nine-photo array which included a picture of Andrew W. Williams, PDID: 560-069. Upon viewing the array, W-2 stated that IT was not sure.

Another witness, hereinafter W-3, was interviewed. W-3 stated that several male individuals were drinking in the parking lot in the rear of the apartments in the 3800 block of Hayes Street, NE, Washington, DC. W-3 stated that amongst the individuals confronted was a black male wearing a grey hooded jacket. W-3 was shown the video surveillance of the shooting. W-3 stated that the shooter appears to be the same male IT observed wearing a grey hooded jacket. W-3 was shown a nine-picture array which included a photograph of Andrew W. Williams, PDID: 560-069. Upon viewing the array, W-3 pointed to several pictures, including that of Andrew W. Williams. W-3 stated that IT recognized each person from the area, but none of the individuals selected was the person IT observed wearing the grey hooded jacket.

A fourth witness, hereinafter referred to as W-4, was also interviewed in reference to this investigation. W-4 reported that on Saturday, May 14, 2011, IT was in the 3800 block of Hayes Street NE when IT observed a person IT knows as "Drew" come in contact with security guards in a parking lot. Drew was wearing a grey hooded jacket. According to W-4, the decedent was also in the area, but not involved in the contact with the security guards. Following the contact with the security guards, Drew and others walked to the playground area located in the 3700 block of Jay Street, NE, Washington, DC. According to W-4, Drew was visibly upset due to the security guards confronting him and the others. W-4 heard Drew talk about shooting at the security guards. W-4 observed the decedent trying to talk Drew out of shooting at the guards. W-4 stated that IT observed Drew with a small 9mm handgun in his waistband. W-4 didn't observe any other person with armed with a handgun at that time. At the time W-4 provided this information, W-4 was incarcerated and pending a criminal case.

W-4 was shown a single confirmation photo, which IT positively identified as Drew, someone IT has known longer than a year.

During the scene investigation, two 9mm shell casings were recovered from the area where the decedent's body was found.

Based on the aforementioned facts, and information the affiant respectfully request that DC Superior Court arrest warrant be issued for Andrew W. Williams, PDID: 560-069.
